RE: MTC TIP Revision No. 2013-02 – Administrative Modification

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2013 Federal Transportation Improvement Program (TIP). TIP Revision No. 2013-02 revises three Federal Transit Administration funded projects to reflect funds programmed through the Transit Capital Priorities Program with a net increase in funding of \$7 million.

The administrative modification is financially constrained by year. MTC will update the financial plan to reflect the additional revenues with the next amendment.

The TIP revision entries have been emailed to your staff. MTC's 2013 TIP, as revised with Revision No. 2013-02, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the SIP.

The project that is included in this administrative modification is not included in any other amendment that is open for public review. MTC's 2013 TIP, including the proposed Revision No. 2013-02, is consistent with metropolitan transportation planning regulations per 23 Code of Federal Regulations Part 450 and conforms to MTC's Regional Transportation Plan (Plan Bay Area).

Under the delegated authority received from Caltrans, I approve this administrative modification to the Federal Statewide Transportation Program (FSTIP). This revision is consistent with the approved Administrative Modifications/ Amendments Guidelines and Procedures.

If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793 or Adam Crenshaw at (510) 817-5794.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann Flemer". The signature is fluid and cursive, with the first name "Ann" being more prominent than the last name "Flemer".
